Scholarship Sunday

Scholarship Sunday was held on Sunday, April 30. This year we were excited to award three \$1,000 scholarships

Michael Cornell has been awarded the Robert & Aileen VanKleek Memorial Scholarship, which was presented by Robert and Aileen's daughter, Ruth Thorpe. Michael has been a member of Asbury since December 2021. Prior to heading off to college, Michael was instrumental in purchasing equipment, installing, and setting up software and training other members on how to livestream Sunday services via YouTube during COVID. He is currently attending Duke Kunshan University (DKU) in China where he is studying Computation and Design. He is active in DKU's Frisbee Club, Chess Club and Robotics. He is part of a Chinese learner's group and is tutoring students in Statistics. He hopes to graduate in May of 2026.

*Dear Asbury and VanKleek Family,
Thank you for the scholarship and the generous support that you have given me. I appreciate being a part of the Asbury family, and I look forward to serving the Lord as I continue on my college journey.*

Lovingly, Michael Cornell

Nolan Randa was one of two recipients of the Carol B. Maida Memorial Scholarship, which was presented by Carol's son, Steven Maida. Nolan has been attending Asbury since birth and was confirmed in 2022. He is part of the team of individuals that help each Sunday with live streaming Asbury's worship service. He has participated in Sunday School, the Christmas program and youth choir. He is active in Boy Scouts, bowling, basketball, baseball, golf and is a member of the National Honor Society. Nolan will graduate from Superior High School in June

A Penny For Your Thoughts

The Breezy Days of Summer

What does Summer mean to you? Vacation time? Time to relax? Going to the cabin or spending time with family?

One of the things that I am excited about this summer is the birds. Recently we have put up bird feeders in our back yard and it has been wonderful to see the variety of birds and watch them feeding and flying around. The robin seems to be the guardian of the feeders, keeping watch over them. We've had a bluejay, chickadees, nut hatches, several types of woodpeckers, a huge crow, and of course, the obligatory squirrel. Sometimes they can easily settle on the feeders, and other times it takes a bit of work. The bigger birds and the squirrel have a particularly challenging time balancing their weight on the feeders without falling off before feasting.

In thinking about these critters, I am reminded that they are all here to be fed. We have set the table, but they come because they know they need the food for sustenance both right now, and in the squirrel's case, hiding it away for a future time of need.

I think the same goes for us at church. We come because we know that we need to be fed and sustained in our journey of faith. Each week the worship team sets the table for you to come and receive nourishment through music, scripture, words of assurance and affirmation, and sometimes challenge, and connection with the community of faith.

We also provide other opportunities to interact, build relationships and serve one another and the larger community, but it is up to us to come and be ready to receive the food. Sometimes, we even have to do a little work to receive — perhaps the songs are not

as familiar, or the scripture is challenging. However, we know that the food is here for our nourishment and the nourishment of the community around us.

And then there are the other events at church that feed our souls. Just this month we have our donut sale on June 2, the Garden Team's plant sale on June 11, Summer Worship on June 21 and our rummage sale on June 22. Additionally this month, we have our regular events of Men's Coffee, exercise (Bone Builders and Yoga), our Knitting Klub and the Green Door Book Group meeting.

All of these gatherings, whether for worship or other events, help us find sustenance and joy in our days, each day, every day. And through these events we can invite others to know and experience God's love and the presence of community for themselves.

So join us for worship each Sunday or the third Wednesday in June, July or August. Come to the donut sale, plant sale or rummage sale. Join us and celebrate that we too, like the birds of the fields will find nourishment and a feast for our souls in this place, this community of faith.

Blessings and Peace,
Katherine

and plans to attend the Milwaukee School of Engineering in the fall of 2023. He will be studying to become an Electrical Engineer.

Dear Scholarship Committee:

I am writing to thank you for your generosity by awarding me the 2023 Carol B. Maida Scholarship. I was very happy and appreciative to learn that I was selected to be a recipient of your scholarship. I am going to pursue an Electrical Engineering degree at the Milwaukee School of Engineering. I am currently a senior in high school and will graduate with the highest honors I can receive this coming June 2. After graduation I will be attending the Carter Academy program mid-summer to get a head start on my future degree. By awarding me the 2023 Carol B. Maida Scholarship, you have helped lighten my future financial burden. Your generosity gives me the opportunity to freely pursue my degree to the fullest extent. This will allow me to focus on the most important part of school, learning. I can't wait for what the future holds for me.

Sincerely, Nolan Randa

Lily Ann Vanneste was the second recipient of the Carol B. Maida Memorial Scholarship. Lily Ann has been attending Asbury since birth. She was confirmed in October of 2017. She has participated in Sunday School, has provided special music, helped with meatball dinners and for the last two years has volunteered to help live stream Sunday services via YouTube. Lily Ann is currently attending Lake Superior College working toward completing her Associates of Arts. She hopes to graduate in May 2024 and then will move onto working toward her desired field of interest which is yet to be determined.

Dear Scholarship Team and Carol B. Maida Family:

I am writing to express my gratefulness for awarding me the 2023 Carol B. Maida Scholarship on Sunday, April 30. Monies will be applied to my second year at Lake Superior College where I am currently working toward my Associate of Arts degree.

Sincerely, Lily Ann Vanneste

Congratulations to all three of these wonderful young adults. We wish you all the best in your studies. — Shelly Vanneste, Scholarship Chair

The Garden Team will be having a Perennial Plant Sale on Sunday, June 11 after church. We hope to be outdoors in front of the garage.

We would appreciate donations of perennial plants if you have plants that need to be divided and would like to share. We can do the digging/dividing for you if you need. Just call 218-722-5818 to schedule an appointment and we would be happy to help.

The Garden Team will now meet each Monday at 8:30 am (unless it is raining or a holiday) until the end of September.

The Team is seeking more volunteers. Please attend a meeting if you are interested in helping out.

Christian Education Report

After many lessons, laughs, Bible Bingo sessions and videos, another Sunday School season has ended. Thank you to everyone who made this year fly

by! A special thank you to Sandy Winklesky for the many, many years of dedication as the Christian Education Coordinator.

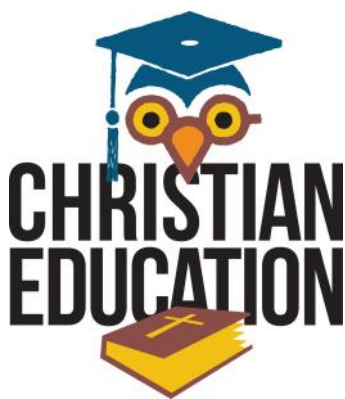

Looking ahead to summer, we have three young people participating in Camp Minnesota this year and look forward to hearing about their experiences.

The downstairs classroom off the Fellowship Hall has

been cleaned out in preparation for use during the upcoming rummage sale on June 22. While going through things during clean up, we came across several items that are not part of the Christian Education inventory. These items are on or under a table right outside of the classroom. Please check and claim these items before the rummage sale set up starts. Otherwise they will be donated to the rummage sale.

Going forward, we ask anyone using the downstairs classroom to temporarily store items from the Fellowship Hall for a special event to please move items back to the Fellowship Hall prior to Sunday. This classroom is used by Christian Education for Sunday School, lesson planning and occasional meetings and should not be used as a storage room.

Thank you to everyone who made this year so interesting and successful!

Rhubarb Festival – June 24

CHUM's Rhubarb Festival will be held on June 24 at Stella Maris Academy Holy Rosary Campus, 2802 E 4th Street. Duluth, MN.

According to CHUM, the Rhubarb Festival is THE great Duluth get-together. People even travel from out of town to join the fun! There will be pie, pie, and more pie plus other rhubarb goodies.

Rhubarbara (pictured) will be greeting visitors at the festival and her new friend will be making their debut. Come to the festival to find out who they are!

Sandy Winklesky, one of our CHUM representatives for the Outreach Team will be putting together a picnic basket

Church-School Partnership Report

Our Church School Partnership team has been

busy organizing, as well as assisting Laura MacArthur Elementary School with projects needing attention. The Team helped organize a supply closet, the school's clothing closet (donations and lost and found), as well as providing dinner one evening for teachers and staff during the Fall Parent-Teacher Conferences.

Donations also were provided for Fiesta Friday during Teacher Appreciation and to help stock the Woot Woot Wagon (pictured) which makes its way around the school to treat teachers to a snack. This summer we will work on solidifying the parameters of the Church-School project per recommendations from the Minnesota Conference.

JESUS' FAMILY TREE

Matthew records a timeline of Jesus' family dating back to Abraham.
Do you know who is in Jesus' family tree?

Directions: Use Matthew 1:1-17 to order the genealogy. Then put the letters in order in the boxes to answer the question below.

- T. Uzziah the father of Jotham
- O. Jacob the father of Judah
- N. Jacob the father of Joseph
- E. Elihud the father of Eleazar
- U. Boaz the father of Obed
- F. Abraham the father of Isaac
- R. Solomon the father of Rehoboam
- E. Josiah the father of Jeconiah

How many generations were there from Abraham to David, from David to the Exile, and from the Exile to Jesus, the Messiah?

1	2	3	4	5	6	7	8

Answer: FOURTEEN

A timeless timeline

Explore your history while compiling this family timeline.

What you need:

- Paper
- Clear tape
- Ruler
- Pencil

What you do:

1. Tape together at least 3 sheets of paper horizontally.
2. Draw a straight line across the center of the long paper. Label dates at regular intervals to keep the information organized. For example, each page you add could represent 10 years.
3. Gather information for the timeline. Start with your birth year and memorable events in your life. Interview family members to learn what year they were born and when key things in their life happened. Include notes and photos.
4. Add pages as needed. Carefully roll up the timeline to keep for generations to come.
